Key figures

• Founded: 2011
• # Taxis: 40
• # Drivers: 70
• € Revenue: 3mln
250,000 passengers. 5 million kilometers. No gasoline.

Our clients include:
The opportunity:
• An average taxi emits as much pollutants as 35 regular cars.
• All large European cities have air pollution issues.
• We found the right business model.
