4FOLD Foldable containers to optimise empty container transport

Simon Bosschieter
CEO
Holland Container Innovations

www.4FOLDcontainers.com

This project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No 711257.
Shipping air?
4FOLD Foldable Container technology

- 4 in 1
- Fast
- Safe
- Strong
- Patented
Where does a foldable container generate savings?

- Empty repositioning
- Storage
- Restows
- Handling
- $\text{CO}_2 / \text{NO}_x / \text{SO}_x$ savings
Clients

Shipping
- APL
- HANJIN
- Seatrade
- BAL Shipping

Rail
- RYLE (China)
Acquire commercial rights to a 4FOLD Foldable Container

• HCI’s lease partner is a key partner and stakeholder. They will manage the fleet and all the financial obligations

• When a box is leased, the lease money minus the management fee for HCI’s lease partner will be transferred to the investor.

• Payback period of 5 years

• Please contact HCI for more details
